

Dear Stewart's Shops and Jennifer Frame,

We would like to extend our sincere thanks to you for your generous donation of free ice cream gift certificates to be used in our August adult reading take home bag program. Our patrons were so excited to see an "ice cream themed" bag and especially thrilled to receive a certificate for a free ice cream from Stewart's! I heard comment after comment about how Stewart's has their favorite ice-cream and I honestly have to agree. I, myself, am a faithful customer. The certificates truly helped make our August bags very special for our patrons. The gratitude they expressed to me towards Stewart's Shops was very heartfelt and sincere. I have attached pictures of some of our patrons picking up their bags. The picture of our patron picking up her marionberry ice cream and with your employee, Natasha, was taken at the New Hartford Stewart's located at 4756 Middle Settlement Road in New Hartford, NY. Thank you, again, for your generosity and helping to make August extra-special for our community and patrons.

Gratefully,

Jaime Dudajek-Burgdoff
