Dear Stewart's Shops,

We would like to extend our sincere thanks for your generous donation of three gift cards. The cards were included in three of the prize baskets awarded to the winners of the Taste Adventure: Potato Chips Program held on December 29, 2022.

The families that participated in this program were excited to be able to enjoy a program where there was trivia AND they had to guess the flavors of the 12 kinds of potato chips! The patrons were extremely grateful for the baskets that we made for them. The gift cards helped make the baskets even more special. The gratitude expressed to me was very heartfelt and sincere. They were excited for library related products, but were MORE excited that they were able to buy merchandise using the gift cards from Stewart's Shops! I was told by a parent of one of the participants that their favorite ice cream is from Stewart's Shops! I honestly have to agree. I am a faithful customer of Stewart's Shops.

I have attached pictures of our three gift basket winners. Two pictures of our patrons and their siblings picking up their gift baskets at the library. Three other pictures are of the third patron and his family at the Stewart's Shops on 4756 Middle Settlement Road in New Hartford. He purchased Brownie Cookie Sundae Ice Cream and milkshakes for himself and his family!

Thank you again for your generous donation and for helping to make our Taste Adventure: Potato Chips program a success!

With Kind Regards,
